Comments and Actions

- Actions from last meeting:
 - Club ideas gained from classes for the Summer Term: art/craft, tennis, gymnastics, cricket and choir. Poppy also asked if we could make links with the local Rainbow and Brownie packs. Mrs Hart to contact Reverend Linda and ask.
 - Year 4 would like more trips. All teachers have been asked to book at least one trip for the Summer Term. This is already underway with Year 3 visiting the Roman Army Museum and Vindolanda in May.
 - Paralympian Stephen Miller to also visit our school in May.
 - Mrs Hart then mentioned the introduction of Sports Leaders. Bella and Liam to ask Year 4 who would like to be trained and run playground activities with the younger children. This will then run alongside the buddy system and give more peer support to those who need it as well as encouraging children to be active and play alongside each other (not actioned from previous meeting)
- Mrs Hart told School Council that she had a very special job for them. On our website, we have lots of information about our school and what it is like to be a pupil here. The School Council have been asked to add to this with their thoughts about school, as per Bella's suggestion.
 - When asked what makes our school special. They said "We are proud to wear our school uniform and love being individuals!" "The children and teachers are kind." "We feel safe." "Maths is fun at our school!" "The teachers make everything fun."
 - When asked what they would like their teachers to be like, especially the Head Teacher, they said, "Someone who is fair and kind."
- *NB: These quotes will be included in the information pack for the recruitment of the Executive Head Teacher.*

The next meeting will be held on **Monday 7th March at 2pm**
