The words highlighted/outlined are the words to learn this half term. Please can you:

1. Read these words with your child so they can sight read them.
2. Discuss what each word means.
3. Teach your child how to spell each of the words.

Possible activities once they have learnt how to read and write the words:

- Put the words into sentences.
- Make a word search with the words. Make a sight word memory game. Write each sight word on two different index cards. Then turn the cards over and invite your child to find the matches.
- Play word bingo with the words

Please feel free to speak to me if you have any questions.

Thank you
