## Part A: Pupil premium strategy plan

### Statement of intent

At Corbridge Church of England First School our intention is to provide an inspirational and inclusive teaching and learning environment in which all pupils can ‘Be the best they can be!’ Through the use of the pupil premium grant we aim to accelerate progress and raise attainment for disadvantaged children and their peers. We prioritise inclusive, quality first teaching and learning for all as our core provision with high quality intervention to support this. A key principle is to ensure well-being and readiness to learn in order to narrow learning gaps. We recognise that good mental health is the foundation of all achievement in school. An important contributing factor to the raising of attainment and progress rates lies within removing social, emotional and environmental barriers to learning. We aim to adapt and enable the whole curriculum so it is accessible for all.

#### Our Priorities

- Ensuring all pupils receive quality first teaching in each and every lesson.
- Closing the attainment gap between disadvantaged pupils and their peers.
- Providing targeted academic support for pupils who are not making the expected progress.
- Ensuring S.E.M.H is well supported so pupils are able to access learning.

### Challenges

This details the key challenges to achievement that we have identified among our disadvantaged pupils.

Challenge number	Detail of challenge
1	Social and emotional factors relating to mental health and readiness to learn.
2	Lower attainment than non-disadvantaged pupils - particularly in writing.

### Intended outcomes

Disadvantaged pupils continue to have excellent attendance.	PP attendance remains at over 93%
