Newsletter: Friday 12 June 2026

Dear Families,

It always astonishes me how much we manage to fit into the Summer Term!

Year 4 had an exciting day on Wednesday as they travelled to Beamish to further their history learning. We travelled back in time to 1913 to see what life was like just after the Victorian era with a focus on mining. We spent the day in the Pit Village exploring the colliery buildings, the village houses and gardens. There were quite a few nervous faces entering the school building for our Victorian lesson but everyone was brilliant and got to grips with the quill and ink very quickly. I would like to say another huge thank you to Consett Rotary for funding the tickets, and also treating the children to an ice cream. What a treat!

Year 3 visited Vindolanda and the Roman Army Museum on Friday where they learnt all about the Romans in Britain at the edge of the Empire. They were a credit to the school, with excellent knowledge and behaviour on display throughout. I think we have definitely inspired a few future archaeologists. Thank you to the parents and governors who accompanied the trip - we loved having you!

Finally, I would like to share that I am a very proud headteacher indeed. Our Year 1, Year 2 and Year 4 children have all completed statutory tests over the last few weeks (Phonics Screening Check and Multiplication Tables Check), and have been brilliant! Whilst they may not have always been aware they were doing assessments, they all worked so hard and were the absolute best they could be. We have all been so impressed by their resilience and positive attitudes.

Have a lovely weekend, everyone!
