

Enabling and Adapting the Computing Curriculum

At Corbridge and Broomhaugh Firsts we are able to support all pupils including SEND and less experienced learners in the Computing curriculum on a personalised approach that can include:

- ✓Pre – teaching of topic vocabulary
- ✓Preferred method of communication used
- ✓Pre-teaching/Pre reading of topic content
- ✓Pre-exposure to lesson content/equipment to engage interest
- ✓Use of hooks to engage visual learners e.g model, picture, object
- ✓Focus on oracy – well managed environmental background noise.
- ✓Visual prompts and organisers
- ✓Personalised vocabulary mat
- ✓Sentence stems
- ✓Opportunities for repetition and over learning
- ✓Dyslexia friendly strategies for reading and writing
- ✓Modelled 'thinking out loud' to scaffold thought processes
- ✓Adult scaffolding to further break down tasks and learning into smaller steps.
