

This week we are hearing of more and more positive COVID cases in schools and also in our local area. Although this was in many ways inevitable, we are hoping cases are mild and that we all stay in general good health. I am aware regular testing for many families is taking place and with this, alongside families accessing PCR's when advised, we can be hopeful that our children will miss as little time away from school and their friends this year as possible.

Morrisons - "It's Good To Grow" Scheme: Corbridge C of E First School have registered with the Morrisons "It's Good To Grow" scheme. This is a token based scheme for schools to be able to collect gardening equipment for free. From September, Morrisons will be giving out 1 Grow Token for every £10 spent in store or on-line. Any vouchers collected can be sent into school and they will be redeemed against a wide range of gardening/growing equipment. More information can be found here: <https://www.itsgoodtogrow.co.uk/>

Reminder to Parents/Carers: Please ensure that you contact the school office (in person/telephone/email) if your child is off poorly, has an appointment, or will be arriving to school late/be collected early for any other reason so that registers can be updated and dinner numbers adjusted where necessary. Thank you for your cooperation.

Jewellery in School: An update was issued this week to explain to parents we have a policy of no jewellery in school - which will be added on to the school website for clarity. Thank you for your cooperation with this.
