Corbridge Cof E First School Nursery - Long Term Plan 2022-23

Here at Corbridge First School Nursery, we work closely together with parents to understand and meet your children's individual needs. Through looking and listening to your child, we find out how they are developing, what they like doing and what they are learning through their play and the experiences we offer. Together, we can decide whether the child's development is at the expected stage, provide suitable resources, toys and equipment and provide support to develop their new interests, learn new skills and acquire new knowledge.

We use a combination of child initiated (in the moment) and adult initiated activities. We have a new broad theme (topic) each half term.
