

## English

### Key texts:

The Green Ship by Quentin Blake (as well as some of his other books)

### Key Skills

- Make predictions and inferences from what I have read.
- Ask questions to improve my understanding.
- Identify the main ideas drawn from more than one paragraph and can summarise these.
- Consistently organise my writing into paragraphs around a theme to add cohesion for the reader.
- Proof-read consistently and amend grammar, punctuation, spelling and cohesion.
- Propose changes to the grammar and vocabulary of my writing to improve it.
- Consistently use a neat, joined handwriting style.

## Our Curriculum

### **Where in the World – North East: What's it like in Blyth?**

#### **Spring 1: Year 4**

## Maths

This term we will be focusing on:

### **Multiplication and division**

#### **Some units will include:**

- Multiplying and dividing by 10/100.
- Multiplying by 1 & 0.
- Dividing by 1 and itself.
- Multiplying by 6,7, & 9.
- Multiplying by 11 & 12
- Multiplying 3 numbers
- Factor pairs
- Efficient multiplication
- Written methods
- Multiplying 2- and 3-digit numbers
- Dividing 2- and 3- digit numbers
- Multiplication and division problem solving

## Science

### Sound

This half term the children will continue to learn about how vibrations cause sounds and how sounds travel and how sounds can change pitch and loudness. How sounds are made by completing a sound survey of our school. Create a human model of the way particles pass sound vibrations on. Explore pitch and how high and low sounds are made. Investigate how sounds change over distance and through materials. This will build up to our STEM fortnight activity to design, make and evaluate a sound muffling device to reduce the noise level from the screaming Mandrake.

### Key Skills

#### **Working scientifically**

- making systematic and careful observations and, where appropriate, taking accurate measurements using standard units, using a range of equipment, including thermometers and data loggers

#### **Key objectives**

- identify how sounds are made, associating some of them with something vibrating
- recognise that vibrations from sounds travel through a medium to the ear

## How you can help!

- Book bags to be brought to school daily.
- Read daily at home with your child
- ebooks available [www.oxfordowl.co.uk](http://www.oxfordowl.co.uk)
- Use the Look, Cover, Write method to support your child with their weekly spellings.
- Read and write the half termly Common Exception Words (CEW) set out in homework book.
- Keep up to date via parentmail, school website and twitter
- Help your child complete their Maths homework weekly.
- Use School 360 activities and Times Tables Rock stars to practice spelling, reading and maths,

## RE

### **What does it mean to be a Hindu in Britain today?**

Hindus believe in the **doctrines of samsara (the continuous cycle of life, death, and reincarnation)** and karma (the universal law of cause and effect). One of the key thoughts is "atman," or the belief in soul. This philosophy holds that living creatures have a soul, and they're all part of the supreme soul.

### Key Skills

- Identify Hindu deities
- Make suggestions & links between Hindu beliefs and aims of life
- How they show their faith within their families
- Discuss differences between how communities can show their faith
- Make links between the 'sparks' of God and individuals' values
- Discuss different family and community rituals.

## Geography

### **Where in the World – North East: What's it like in Blyth?**

This unit is based around the North East coastal town of Blyth. The children will learn about the physical geography of Blyth, they will use maps, atlases and digital maps to explore the town and find out about what the land is used for and what there is to do in Blyth. Throughout the unit, children will learn to compare what they have learnt about Blyth with what they know about their own local area.

#### Key Skills

- Locate Blyth and their school on a map
- Identify physical features of Blyth using a map
- Identify human features of Blyth using a map
- Describe the landscape of Blyth town centre
- Name different types of land use
- Use a key to record types of land use
- Talk about the human geography of Blyth
- Talk about what planning is needed for a trip in the UK.

## Art and Design

### Key artist: Andy Warhol

#### Collage:

- Further development of individual collages
- Using a more abstract artist
- Trying to show collage in a more abstract way.

#### Key Skills:

- To create sketch books to record their observations and use them to review and revisit ideas
- To improve their mastery of art and design techniques, including drawing, painting, and sculpture with a range of materials [for example, pencil, charcoal, paint, clay]
- About great artists, architects, and designers in history

## P.E.

Tuesday's session will be delivered by Mr Thompson and will mainly take place outdoors. Please ensure your child's PE kit is appropriate for this. No jewellery should be worn in school. We will play winter games, modified where appropriate, and apply basic principles suitable for attacking and defending in invasion games. We will also have an in-house competition. We will continue to set our own personal goals. We will make comparisons and demonstrate how we have improved to achieve our personal targets.

On Wednesday we will have Forest School and Commando Joes. We will be outside whatever the weather so please ensure your child is dressed appropriately. They should come into school wearing their Forest School clothes, we will be working on our team work skills during these sessions and studying the adventurer, Kira Salak.

## PSHE

### **How we can manage our feelings**

This half term we will be thinking about our feelings and how they can change over time and can be experienced at different levels of intensity. We will be discussing the importance of expressing feelings and how they can be expressed in different ways. We will also be learning about how to respond proportionately to, and manage, feelings in different circumstances.

#### Other PSHE opportunities:

- Safer Internet Day 2023
- Community police officer assembly and Q&A

## Computing

This half term the children will be exploring Scratch, carrying out the necessary steps to create their very first computer game.

#### Key Skills

- Design, write and debug programs that accomplish specific goals.
- Use sequence, selection and repetition in programs, work with variables and various forms of input and output.
- Select, use and combine a variety of software on a range of digital devices.

## Music

Music plays a big part in our classroom. The children often ask for different pieces of music to be played during handwriting at different parts the day. Through this, we are working on showing our appreciation for a range of genres and understanding of how different pieces of music can affect our emotions.

We will continue to study 'Lean on me' by Bill Withers in our Charanga unit this term.

We will also be learning new hymns in worship and songs related to our charity events.

## French

This half term the children will be learning about 'Habitats'. They will learn to tell somebody in French the key elements animals and plants need to survive in their habitat. Say the most common habitats for plants and animals and give a named example of these habitats.
