

## Calling all wildlife lovers!

Ever wanted to ask one of the Springwatch/Autumnwatch team a question? Now's your chance!

Saturday 25<sup>th</sup> April 11am-12pm

We are delighted that Martin Hughes-Games is coming to the Hexham Book Festival to talk about his book 'A Wild Life: My Adventures around the World Filming Wildlife'

Martin has spent thirty years travelling across the globe watching, filming and getting up close and personal with wildlife. Come along and discover lots of intriguing animal facts - like what's the fastest creature on earth, and why it's best to avoid tiny biting centipedes..... and then have the opportunity of having *your own* question answered.

We're inviting students to email their question/s to us before Martin's event, which we'll give to him – and he can select the best to answer as part of his event. So write down that question you've always wanted to ask, and send it to [gilpugh@googlemail.com](mailto:gilpugh@googlemail.com) before 17<sup>th</sup> April.

Tickets cost £7 per adult, £5 for 16yrs and under, from [www.hexhambookfestival.co.uk](http://www.hexhambookfestival.co.uk)
