Comments from attendees:

Can you make any suggestions about the school meals service and/or share any comments about your experience today?

- lovely experience as always, the meals are delicious, it's lovely to watch my son enjoy his meals as much as he does at school
- We had a lovely lunch- thank you so much to the dinner ladies!
- Enjoyed coming in for lunch with my daughter today, thank you to the dinner staff for putting on this event.
- It was lovely to be able to come into school today. It felt like a 'normal' thing to be able to do after two years of covid and not being able to come into school to see our children. Thank you for the meal today and for organising it.
