

Welcome to Year 2

Who are we?

Miss Latimer (Class Teacher)

Mrs. Geddes (Teaching Assistant)

The year ahead

We're so excited for the year ahead as we get to continue the lovely things we started in Year 1. To get the year off to the best possible start, we will be filling any gaps after last year's lockdown. We will also ensure everyone is challenged and supported throughout all their learning. We know how your children like to learn so we'll use that as our starting point! We couldn't be happier!

Curriculum Overview

- A lot of autumn 1 is spend getting to know the children and revisiting any gaps in their knowledge. This helps us have a wonderful start in Year 2
- Regular assessments across all subjects will take place to track progress, so planning can suitably challenge all children

Celebrations

- During celebration assembly on Fridays, we award 2 Stars of the Week, these go to children who have worked hard in their lessons. We also have a Golden book, a child who has demonstrated our Christian or British values will have their name written down and is given some “gold”.
