

27 February 2019

Dear Year 3 Parents and Carers

Join your child for a special learning session on Wednesday 13 March.

We would like to invite you to join your child for a special learning session on Wednesday 13 March from 9.00am to 10.30am. After dropping your child off in the playground please come into school via the office, where tea and coffee will be offered.

The main focus of our learning will be design technology, linking with our topic on the Stone Age and 'rocks and soils'. We will be making coil pots and decorating these with designs inspired by pots found in archaeological digs. There will also be some problem solving and fact finding tasks to complete together. The children always enjoy sharing school activities with you and I hope you will be able to come along. It is a great opportunity to see how the children learn in school.

So that we can accommodate everyone comfortably in the hall, we will have to limit this to one parent or other family member (grandparent/aunt/uncle) attending for each child. Please return the reply slip below by Wednesday 6 March to let us know if you will be able to come along – this will help us make provision for someone to work alongside any children who don't have a family member able to attend.

We look forward to seeing you then.

Yours sincerely

Mrs McGowan and Mrs Errington
Y3 Class Teachers

Reply Slip – Y3 – special learning session - Wednesday 13 March 2019

Child's Name	
Name of parent/carers (grandparent/aunt/uncle) joining their child (please print)
