Dear Parents and Carers

Tapestry Online Learning Journal

We would like to offer you access to your child's learning journal.
Tapestry records your child's learning through a personal online journal.

Safeguarding is of the highest priority for us and in order to allow us to provide you with access to your child's online journal we must ask you to complete the reply form below.

Once the completed reply form is returned to us, you will be issued with a password that will allow you to access your child's Learning Journal at

<https://eylj.org/>

The password we will provide is unique to your child's profile but we would strongly recommend you change your password when you first log into your child's journal to ensure online security is maintained.

We hope that very soon you will be enjoying sharing your child's learning through Tapestry.

Yours sincerely

Miss J Ainsley
