**You will receive 5 house points for every piece of optional homework you complete!**

Mental Maths Focus this half term:

- Recall multiplication facts for all the tables up to 12 x 12.
- Play on TT Rockstars to help support your timetables learning.
- Counting in multiples of 1000.
- Begin to count backwards through zero including negative numbers.

**Keep practising telling the time – o'clock, quarter past, half past, quarter to, telling the time to the nearest minute, using digital (12/24 hour) and analogue clocks. Does your clock at home have Roman numerals? Can you tell time using Roman numerals? It is something that needs to be practised regularly as it is really tricky!**

**Thank you for your support! ☺**
