Comments from attendees:

Can you make any suggestions about the school meals service and/or share any comments about your experience today?

- It was really great to come into school and have lunch with the children today. My child was really excited and proud to be able show off her school and share lunch with me. The meal I had was really good and, I would say, very good value. The whole event was really well organised (particularly considering the current covid situation) and much appreciated. Thank you!
- Excellent food and a lovely experience. Thank you!
