

STEM Session

Reception & Nursery

Tuesday 8 May 18

Dear Parents/carers,

You are invited to join your child in school on Tuesday 8 May to share a special STEM session (Science, technology, engineering and mathematics). We will be offering a morning session for nursery parents and an afternoon session for reception parents, if your child attends nursery all day on a Tuesday, you may choose the afternoon session, but due to an increase in numbers on a Tuesday, we can only offer a limited number to parents in the afternoon. For the nursery parents in the afternoon it will be first come first serve basis. During the session, the children will visit 4 main activities in small groups. We are planning to use the outdoor area so please dress appropriately for the weather.

Please fill in the reply slip by Thursday 3 May. We look forward to seeing you there!

Yours sincerely

Mrs Burton & Mrs Hutchinson
