

## **Corbridge C of E First School** **Accessibility Plan**

The Equality Act 2010: Schedule 10, Paragraph 3 states all schools must have an Accessibility Plan, reviewed every three years. It is also listed by the Department for Education as a required policy.

An accessibility plan is a plan for:

- (a) increasing the extent to which disabled pupils can participate in the school's curriculum,
- (b) improving the physical environment of the school for the purpose of increasing the extent to which disabled pupils are able to take advantage of education and benefits, facilities or services provided or offered by the school, and
- (c) improving the delivery to disabled pupils of information which is readily accessible to pupils who are not disabled. This must be within a reasonable time and in ways which are determined after taking account of the pupils' disabilities and any preferences expressed by them or their parents.

A disability under the Equality Act 2010 is

‘...a physical or mental impairment which has a long-term and substantial adverse effect on their ability to carry out normal day-to-day activities’.

This definition includes physical disabilities and others with sensory impairments such as those affecting sight or hearing, and long-term health conditions such as asthma, diabetes, epilepsy, and cancer.

### **Our Aims, Values and Ethos**

We are continually working to achieve our school values, aims and ethos which includes the following statements:

- To provide an inviting, inclusive and friendly school environment where all members of the whole school community are valued and respect one another.
- To provide quality teaching and learning in a safe and nurturing environment allowing each child to develop, personally, physically and academically to his or her full potential.

Corbridge C of E First School has clear ways of identifying, assessing and making provision for SEN and Disability (SEND) as set out in our SEND Information Report 2017. As an inclusive school we welcome learners with different needs and are happy to listen to new requests for accessibility and add them to our Accessibility Plan when they arise. We respect the voice of the learner and the family and their preferences for how our learners' needs should be met.

Corbridge C of E First School will make reasonable adjustments, including the provision of auxiliary aids and services, to ensure that we minimise any disadvantage for disabled children and young people. We plan ahead, so thought is given in advance to what disabled stakeholders might require in the future and what adjustments might need to be made to prevent that disadvantage.

### **Current Position**

Our current school position, including the provision we offer to our SEND pupils, is reflected in our SEND Information Report, SEND Policy, Equalities Statement and Equalities Action Plan.

The proportion of pupils with SEND Support is well below national averages whilst the proportion of pupils with an Education Health Care (EHC) Plan is also well below the national average.

This plan will be reviewed at least every 3 years. It may be amended sooner following feedback from users and dependent on changes to the pupil population.
