

Transition to Year 3

Topic	Activity
All about me	<p>I hope you have received my letter (<i>see resources "Dear Year 2"</i>).</p> <p>I am so excited to get to know you all so today your job is to respond to my letter.</p> <p>You might want to tell me about your likes and dislikes or if you have any pets. You could let me know if you have any questions about Year 3 and help me think of some good books or movies for over the summer.</p> <p>If you want some fancy paper to do your writing on I have left some in the resources for today.</p> <p>I look forward to reading them.</p> <p>My email address is: emily.baxter@school360.co.uk</p>
Creative - Shoot for the stars target setting	<p>Can you design and create your own rocket which we will put up in our classroom at the start of the year. (There is a template for this in the resources).</p> <p>Your rocket can be decorated in any way. You might want to use coloured pencils, pens, paint or even collage it is up to you.</p> <p>At the bottom of your rocket there is a space for your end of year goals. I would like you to think of two targets for yourself. One academic and one personal. For your academic target you might want to think about what you want to improve such as getting better at adding numbers or working on your times tables and your personal target could be learning a new skill/hobby or getting better at something you already do outside of school.</p> <p>Remember to bring these with you on our first day in September.</p>
Creative – design a book cover	<p>I would love to display your work from the first day in September and show everyone else at school how much we enjoy reading!</p>

	<p>Can you design your own version of a book cover for your favourite book? You'll need to think about the front cover, the back cover, the spine and the blurb.</p> <p>Here are some questions to think about as you design:</p> <p>So now you need to think about what information to include on your own book cover.</p> <p>What is your book about?</p> <p>Who is it aimed at?</p> <p>What part of the book excites you most?</p> <p>What is the most important theme of the book?</p> <p>What do you think are the main selling points?</p> <p>What would make you want to read the book?</p> 
Art gallery	<p>I would love to start a Year 3 art gallery for our classroom next year and it would be great to have our amazing work up straight away!</p> <p>Can you draw and colour a picture of your choice for our gallery?</p> <p>There are some amazing tutorials which you might like to try on the website below.</p> <p>http://www.robiddulph.com/draw-with-rob</p>
Extra activity	<p>You might have whizzed through all of your activities today so if you would like to complete a Year 2 to Year 3 booklet I will attach it to our resources.</p> <p>I would love to see them so you can always email them to me.</p>

I hope you enjoy your transition day activities and I cannot wait to meet you all in September!

Mis Baxter 😊
