Nursery: Application forms are available from our school office. To apply for a place in September 2017 please complete and return an application form by Friday 2 December 2016. We have started the process to enable our school to offer additional nursery hours, i.e. full time 30 hour nursery place. If we have sufficient demand for this we hope to be able to offer extended nursery places from September 2017. Find out more at our open morning or telephone the school for further information.

Reception: The Northumberland County Council online Admissions portal for First and Primary Schools admission in September 2017 will open on 1 November 2016. For further information visit the NCC website.
