

Topic challenges

Week beginning 11.1.21

This week our topic challenges are based on our topic "Long, long ago: Dinosaurs"

Trapped!

Can you make a cage to safely keep your dinosaur? (or toy.)

You might use Lego, blocks, junk modelling etc. Upload a photo of your dino/ toy inside.

Dinosaur Rescue!

With all of the snow and ice we have had recently, the dinosaurs have all frozen! Can you work out how to safely rescue them?

Dinosaurs (or other small imaginative toys e.g., Lego figures, Playmobil etc) will need to be frozen in advance. You can freeze them in balloons (with careful stretching, they can fit in the deflated balloon before filling with water) or in Tupperware containers.

Dinosaur Stomp Dance Along

[\(20\) Koo Koo Kanga Roo - Dinosaur Stomp \(Dance-A-Long\) - YouTube](#)

Can you join in with this dino stomping dance?

A fearsome stompy snack

Can you help make a dinosaur themed snack? Use fruit or vegetables to make it a healthy snack.

Pinterest have some great examples, I typed in Dino fruit snack and saw some brilliant footprint skewers and dinosaur shaped watermelon ones.

Dinosaur Shadow Puppets

Use the templates I have attached (or if you prefer you could draw your own dinosaurs onto paper or card). Cut out and stick onto card, make the room dark and have fun coming up with stories using the shadow puppets to animate it!
