

1 March 2016

Dear Year 4 Parents and Carers

**Join your child for a special learning session on
Wednesday 23 March 2016 – Maths is Fun!**

We would like to invite you to join your child for a special learning session on Wednesday 23 March from 1.30 to 3.00pm.

We will be asking you to work alongside your child in a 'Maths is Fun' problem solving session. Weather permitting we hope to run part of the session outdoors. The children always enjoy sharing school activities with you and I hope you will be able to come along. It is a great opportunity to see how the children learn in school.

So that we can accommodate everyone comfortably in the classroom, we will have to limit this to one parent or other family member (grandparent/aunt/uncle) attending for each child. Please return the reply slip below by Wednesday 10 March to let us know if you will be able to come along – this will help us make provision for someone to work alongside any children who don't have a family member able to attend.

If you are able to attend, please come to school for 1.25pm – enter by the school office.

We look forward to seeing you then.

Yours sincerely

Mrs N Burton
Y4 Class Teacher
