

CORBRIDGE C OF E FIRST SCHOOL

Newsletter: Friday 28 April 2023

Dear Families,

We have had another busy and fun week in school this week including in the classroom, at extra-curricular clubs and out and about!

There was tremendous excitement on Wednesday morning as the children arrived at school because the Eco Council and School Council were hosting a diplomatic summit. The delegates from the respective councils at Broomhaugh First School caught the public service bus to Corbridge and came to visit with Mrs. Burton. Following a tour of the school, the counsellors met to discuss plans for the Coronation and the Eco Festival at St. Andrew's Church. We are looking forward to our counsellors travelling to Riding Mill for a similar event in the not too distant future!

Extra-curricular clubs, activities and trips have also created a buzz around school with the children loving all of the new activities. Year 3 had a fantastic time at Vindolanda and the Roman Army Museum learning all about the Romans in Britain. They were full of smiles when they came back to school. Year 4 have also been helping Mr. Gardner in the allotment as we prepare for the imminent arrival of our bee colony and the hatching of our chicks. Huge thanks to our super Year 1s who are currently keeping a close eye on the eggs in the incubator.

Have a lovely long weekend (fingers crossed the sun shines!)
