

It's A Cracker - Christmas Show Information – Years 1-4

This is a long letter but it does contain important information about tickets and arrangements for both the children and those coming to watch the shows so please take time to read it carefully. Should you have any questions or queries please contact the school office.

Tickets

Tickets for the Christmas show performances will be sent home with your child today (Thursday 10 December). Please check book bags! Please also check your ticket allocation carefully and contact the school office immediately if the tickets are not what you requested. **Tickets and seats are numbered – please remember to bring your ticket to the show and match it with the seat number.**

Requests for Additional Tickets

We have managed to give the majority of parents and carers the additional tickets they requested – we have given priority to Year 4 as it will be their last Christmas show. However, there were a small number of requests for additional 6.00pm tickets that we have been unable to fulfil.

Where we have been able to allocate additional tickets, it has not always been possible to allocate the additional seat to be alongside the two seats initially allocated to you. We hope that you will agree that what is most important is where we have been able to allocate additional seats other family members will be able to come along to watch and enjoy the show even if not sat with you.

Tickets still available

We still have tickets available for the following performances. If you would like additional tickets for these shows please contact the school office.

- dress rehearsal at 9.30am on Monday 14 December
- 1.30pm performance on Wednesday 16 December

Ticket returns

If you have been allocated a ticket for the 6.00pm KS1 and KS2 show and you no longer require it, please return the ticket to the office as we will be able to reallocate it.
