

Spring 2

Pick and Mix Homework

Year 2

<p>Fire Safety in the Home</p> <p>There are many things that we can do to keep our homes safe from fire and to keep ourselves safe in the event of a fire. List does your family do to stay safe?</p>	<p>Yummy Treats</p> <p>The UK is known for tasty food. Miss Latimer's favourite is shortbread from Scotland.</p> <p>Can you make a dish/treat from one of the 4 countries in the UK?</p> <p>Write down your recipe for others to follow.</p> <p>Don't forget the measurements you need!</p>	<p>Countries of the world</p> <p>Research a country of your choice.</p> <p>Create a fact file about that country.</p> <p>Draw or paint a flag for that country.</p>	<p>Strangers and Safer Strangers</p> <p>We shouldn't talk to or follow people who we do not know.</p> <p>However, there are some safer strangers. These might be people we do not know but who work to help others.</p> <p>Can you create a poster to help other children know the difference between a strangers and a safer stranger (police).</p>	<p>Treasure Map</p> <p>Create your own treasure map.</p> <p>Make sure it has a key.</p> <p>Don't forget to include an X to show where the buried treasure is hidden.</p>
<p>3D World</p> <p>Construct a globe and label it with the countries you have visited or lived in.</p> <p>Label the United Kingdom.</p> <p>Can you remember what the United Kingdom is and which countries are in it?</p>	<p>Animal Poems</p> <p>Create a poem about your favourite animal</p> <p>What type of poem will it be? Kennings, Haiku, Limerick, Acrostic or Free Verse?</p>	<p>Shape Hunt</p> <p>Search around your house for 3D shapes. Which ones can you spot? Record the 3D shapes you find in a tally chart.</p>	<p>Let's Collect Data</p> <p>Ask your friends and family their favourite colour. Create a tally chart, pictogram and bar graph from the results.</p>	<p>Will it Float?</p> <p>If we were to travel to another country by boat, what would be the best material to make the boat from?</p> <p>Investigate which materials are waterproof and can float.</p> <p>Remember to make predictions before you start your investigation and have a conclusion at the end of your investigation!</p>

You will receive 5 house points for every piece of optional homework you complete!

Mental Maths Focus this half term:

- To half and double numbers
- Counting forward and back in 10s, 5s, 3s, and 2s. from any number
- Recall multiplication and division facts for the 10, 5, 3 and 2 times table.

It would be great if you could continue to help your child read the time to the nearest 5 minutes on an analogue clock. It is something that needs to be practised regularly as it is really tricky!
