

Monday 6th July

Hi soon to be Year 2,

I am so excited to teach you in September! We are going to have lots of fun, work hard and most importantly be the best we can be.

Although we can't all be together for Transfer Day this year, I have put together a few activities so you can start to think about Year 2 and your goals for the year. If you are not in school at the moment feel free to email what you have done during transfer day! My email address is emma.florek@school360.co.uk

First, I have attached a transfer day opening PowerPoint. Go through this with an adult and discuss the questions on the PowerPoint. Then have fun completing the activities!

Have a lovely day,

Miss Florek ☺

Activity 1 – Design a Bee

At Corbridge First School *with God's guidance, we strive every day to be, 'the best that we can be'.*

You are going to design a bee; you could draw your own or print my bee out. (See resources)

1. On the lines write 2 things you are good at e.g. I can write fantastic stories. Then write 1 or 2 wishes, these are things you would like to achieve while you are in year 2.
2. In the wings of the bee draw all of the things you enjoy about school.
3. Give your bee a name, draw its face and carefully cut it out.
4. If you aren't in school why don't you bring it with you on the first day back and we can put it up in school on display.
5. Extension – Draw a honey pot for the bee. Write on the honey pot but this time thinking of things you would like the class to do or achieve this year.

Activity 2 – Self Portrait

Some of you may already know but I absolutely love Art, so I hope you are looking forward to doing lots of fun, arty activities in Year 2!

I thought it would be nice if we could all do a self-portrait.

1. Find a mirror or take a photograph of yourself.
2. Look carefully at the shape of your eyes, nose, mouth etc.
3. Draw your face, neck and the top of your body with a pencil.
4. You could then colour it in with colouring pencils or use any other mediums e.g. paint, watercolour, pastel, collage materials. We can display our self-portraits in the classroom and then do another one at the end of the year and compare the two.

Activity 3 – For my new teacher transition booklet

The final activity is to complete a transition booklet for me. This will help me really get to know you! Again, feel free to bring it with you in September if you aren't in school.
