

Topic challenges

Week beginning 15.6.20

This week our topic challenges are based on the story, 'Princess Mirror Belle and the Dragon Pox.' You can begin by listening to the story. We've suggested these follow up activities to consolidate a range of reading, writing and creative skills previously taught in school.

Monday - Can you make your own reflection?

When Ellen looks into the mirror, she sees a reflection called 'Princess Mirror Belle!' What do you see when you see your reflection? Can you draw or paint your own face? We would be doing this as an end of year activity in school so I would really appreciate your finished portraits to be shared on tapestry! When you're finished you can make your own mirror just like the one shown below!

Tuesday - Spotty dotty

Ellen and Mirror Belle were covered in spots. How many things can you find in your home that are all spotty? Can you find any other patterns, e.g. zig zags, swirls or even spirals? Why not create your own spotty tea plates using paper plates and ask your grown ups to serve a party tea on there?

Wednesday - Design a patterned Princess or Prince outfit.

Princes and Princesses love to wear jazzy clothes! Can you design an outfit for a Prince or Princess which has shapes or patterns on? Will it be a repeated pattern or a symmetrical pattern?

Thursday - Spot the Difference

Look at the resource sheet picture. Can you find all 5 differences between the 2 pictures. You will have to look carefully as they are quite tricky to spot!

Friday - Washing up!

We all know the best way to get rid of germs is by washing your hands. Fill a shallow bowl or plate with water and sprinkle in some black pepper. Pop your finger in and watch as nothing happens. Dry your finger. Pop some hand wash on your finger and pop it back into the peppery water. What happens now? So now you know that soap is the key! Why not set yourself off with a washing up day task? Fill a tray with bubbly water and get washing up! Your grown-ups might even let you help with the real washing up! (Can't wait to see the pictures!)
