Comments and Actions

- Members of the council shared their findings about posters around school:
 - There are not many posters;
 - Some have fallen down and not been replaced;
 - Protected characteristics posters are needed in Nursery, Year 1, Year 2 and Year 3.
- The council were happy with the poster designs from Mrs. Hart.
- Other ideas for a display included:
 - Putting posters in classroom windows so that parents can also see important messages;
 - Putting signs around the wider village;
 - Having a rainbow flag;
 - Painting a rainbow in the entrance to school.
- Mrs. Hart then asked the council about Rainbow Day 2025. Tasked to go back to class and gather ideas!

We will meet again 20/01/25 to officially plan Rainbow Day!
