

<p><b><u>Literacy challenges</u></b> <b><u>Week beginning 6.7.20</u></b></p> <p>This week our literacy challenges are based on the story, 'The dinosaur that pooped a planet'</p> <p>You can begin by listening to the story. We've suggested these follow up activities to consolidate a range of reading and writing skills previously taught in school.</p> <p><a href="https://youtu.be/hJLWmegE_CE">https://youtu.be/hJLWmegE_CE</a></p>	<p><b>Monday - See separate transfer day activity menu</b></p> <p>Please refer to the information about transfer day on the website. Miss Jewitt has provided some lovely activities and can't wait to meet you all!</p>	<p><b>Tuesday - Bingo!</b></p> <p>Make your own bingo card by writing a range of letters or numbers on a bingo board and get playing.</p> <p>Alternatively visit: <a href="https://myfreebingocards.com/">https://myfreebingocards.com/</a>... and follow the instructions to make an online version - no printer needed. (You can send links/bingo cards to other households to host a virtual family bingo game!) My family have used this quite a lot as an alternative to a weekly quiz!</p>
<p><b>Write it Wednesday</b></p> <p>Can you draw a map to direct Dan and the dinosaur to space?</p> <p>Can you draw a map to direct Dan and the dinosaur to your house or favourite place?</p> 	<p><b>Thursday - What did you see?</b></p> <p>Imagine that you went on a journey on a space rocket - what did you see? Talk about and draw your adventures!</p> 	<p><b>Friday - What do you know about the planets?</b></p> <p>Research the solar system and write a list of the planets. You might want to take this further by making your very own information book?</p>
