Topic challenges **Week beginning 13.7.20** Our final week of home learning sees a menu packed full of reflecting, celebrating and looking ahead to next year. Thank you to our wonderful families, you have all achieved so much and should be very proud! You might even create your own graduation ceremony with your very own hat and gowns! Why not tweet your celebrations to @CorbridgeFirst	**Thank you to our families and friends!** Over the last few months we have thanked our essential workers through different events such as clapping for the NHS. But have you thanked your families for helping you at home? You could make a thank you card or picture. You might make some thank you vouchers they can redeem at a later date. The vouchers might be for you to carry out an extra household chore, to tell them a joke or made up story, a hug to brighten their day.	**What was your favourite memory this year?** Let us know what your favourite thing about this year has been. This could be something that happened during your time in school, during the school closure or even a special event from a different point in the year. You might write a diary entry, a simple drawing with a caption or why not make a photo montage?
Create your own Sports Day! Hold your very own Sports day with your family. Plan the events, write a list of instructions so everyone knows what they need to do. You could make medals and certificates and don't forget every sports day needs a sweet treat at the end!	**What do you want to achieve next year?** Think about how you can continue to be the best you can be next year. This could be something that will help you in school or maybe even a skill you need to master as part of your favourite sport? How will you achieve this? Set yourself a target and start working towards this!	**What have you done this year to make you feel proud?** Think back to everything you have achieved this school year. How can you share this with other people? You could write a letter, make a short television bulletin or how about a certificate highlighting your achievements.
