EXPLORER NAME

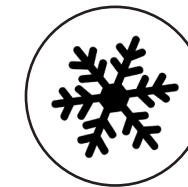

QUEST:

MAKE A SNOWLANTERN

Make a circle of snowballs, then put another circle on top. Keep going to make a pyramid type shape. Then ask a grown-up to put a candle or torch in the middle to make it glow at night. If you can't find snow, what else could you use?

DATE:

LOCATION:

Thread peanuts in their shells, cranberries and apple pieces on a string or wire. Hang outside and record and name (if possible) all the birds you see eating the food.

LOCATION:

Go outside at night with a grown-up.
Try to hear owls hooting.
