

September 2020 School Provision

Key Issue	How it will work	How we need you to help	Risk Assessment
School Drop Off in the morning	<p>You will be given clear instructions about where to enter the premises, (which will work on a one way system)</p> <p>Families will be heading to different locations to enter and pupils will go straight into the building on arrival – no gathering to wait for the bell. Entry will begin from 8:50am and we will ask all to ensure they have dropped off by 9:05am</p>	<p>We ask that only 1 adult brings their child/children to school and wherever possible siblings remain at home if it is safe – although we recognise this may not be possible for all families.</p> <p>As adults please operate social distancing when entering school premises. We will not be marking 2 metre distances. Please do not gather outside school following drop off.</p>	<p>One Way system to avoid congestion</p> <p>Varied doors for entry</p> <p>No gathering on the playground.</p> <p>6 allocated group drop off points.</p>
Teaching in classrooms	<p>Maximum group of 30 children in a class ‘bubble’.</p> <p>Tables will be spread out and where possible, children will use the same table space each lesson.</p> <p>Where children sit together on the carpet they will be side by side not face to face and this will be minimal and for short periods of time.</p> <p>Teachers will not plan activities which require children to touch (hand holding circle games etc) Physical contact will be discouraged.</p>	<p>Please explain to your children although they will be excited to see each other cuddling our friends is not how we should greet each other when we say hello.</p> <p>We ask that when your children come into school it is vital you continue to follow the social distancing expected when they are not in school. If your children has been mixing with lots of friends and family throughout the Summer and beyond, they need to be reminded about safety measures.</p> <p>The more groups your children mix with outside of their class bubble, the more risk of them carrying the virus into school will be increased.</p>	<p>Under lockdown and through wider school opening, all staff and children remained healthy following these procedures.</p>
Whole School Worship – (assemblies) Whole school gatherings will not take place for the foreseeable future.			
Outdoor play	<p>Children will undertake outdoor learning, break times and play at lunchtime in designated areas and will only mix with the children within their group of 30.</p> <p>Each group of 30 will have their own equipment allocated just for their group.</p>	<p>You can help us prepare the children by explaining they will not be able to play with children from other classes.</p>	<p>Under lockdown all staff and children remained healthy following these procedures.</p>
Lunch	<p>Lunches will be staggered in the hall.</p> <p>Children will be sat with their group and food will either be delivered to the table by allocated lunch staff (younger pupils) and as a self-serve from the hatch (older pupils)</p>	<p>You can help us by your child taking a school dinner so we minimise the number of things needing to be brought into school (including packed lunch boxes)</p>	<p>Limited child movement around the hall.</p>

School Collection	<p>You will be given clear instructions about where to go to collect your child/ren and what time.</p> <p>Teachers will have all children ready for collection with all belongings to ensure they can leave immediately and no children can play in the school grounds when collected – children must leave premises immediately.</p>	<p>We ask that only 1 adult collects their child/children from school and wherever possible siblings remain at home if it is safe.</p> <p>As adults please operate social distancing when on school premises. We will not be marking 2 metre distances. Please do not allow your child to play in the premises once collected and do not gather outside school following collection.</p>	No gathering on the playground after school.

Further Important Information

Key Issue	How it will work	How we need you to help	Risk Assessment
Toilets	Each group of 30 will share their own allocated toilet space – not shared with other groups.	Please send spare clothes to stay at school so your child can be dressed in their own clothes in the event of them having a toilet accident.	No more than 30 children sharing a toilet facility.
Handwashing	<p>As a routine children will be washing their hands at least 5 times during the school day</p> <ol style="list-style-type: none"> 1. On entry to school. 2. Before snack. 3. On returning to the classroom from outdoor play/break time. 4. Before lunch. 5. On returning to the classroom from outdoor play/break time <p>Foam hand sanitiser dispensers have been installed for each class to also aid hand hygiene.</p>	<p>Please show your children how to wash their hands properly and reinforce at home the importance.</p> <p>Please send a labelled hand cream to stay in school if your child suffers from dry skin or you are concerned the excess washing may make their hands sore.</p>	Regular / monitored hand washing.
Cleaning	<p>Tables / equipment will be wiped down between sessions or in the event of a child coughing or sneezing on a surface.</p> <p>Door handles / taps / soap dispensers and regularly accessed areas will be wiped down through the day (not just at the end of the day).</p>		Each group have safe, appropriate cleaning products and staff have a regular cleaning schedule in place.
Respiratory and hand hygiene	<p>A supply of tissues is readily available in the classrooms and children will be encouraged to carry a tissue.</p> <p>Catch it – Bin it – Kill it strategy will be reinforced and used with children.</p> <p>Where coughs and sneezes are not ‘caught’ in tissues surfaces will be wiped.</p> <p>Sanitiser foam will be used following handwashing.</p>	Please reinforce the Catch it - Bin it - Kill it strategy: Catch a cough or sneeze in a tissue / put the tissue in a waste bin / wash hands.	Strategy taught. Tissues available. Handwashing/surface cleaning and sanitisers utilised.
Uniform	<p>Children should return in normal uniform.</p> <p>Children will need PE kits in school.</p>	<p>Please ensure uniform is cleaned regularly.</p> <p>Please ensure your child’s name is on all their uniform.</p>	<p>Parents aware of making sure uniform is clean and changed regularly.</p> <p>Parents know all children need a full P.E. kit in school.</p>

Snack / Milk / water bottle	Snack and milk will be reordered and available in school from September (deliveries permitting). All children must have their own labelled water bottle – so there will be no sharing of cups.	Please ensure your child brings their water bottle to school each day.	Sterilised cups will be used if bottles are forgotten.
Reading Books	Parents will be directed to return reading books to a labelled box so they can be quarantined before recirculating to other homes.	Please do not spray or wipe any books your child brings home with liquids. If you do not want to take books from school home you will be able to access online levelled reading books.	Books quarantined as advised.
