Dear Parents and Carers

At the end of another busy week, our children and staff have had an extra special focus on being healthy and looking after our wellbeing through walk to school week. Although this has been a particular focus this week, we encourage all of our families to walk, scoot and cycle to school as much as possible so that the health benefits are enjoyed all year round. It is great to see so many of our families already using the bike/scooter shelter!

Walking around school this week, the classrooms and outdoor learning spaces continue to buzz with learning and this half term has really felt like one of togetherness. As restrictions begun to ease earlier this week, in school we remain vigilant with our hygiene routines within our bubbles. We do look forward to all being back together in the same spaces and are beginning to plan activities and ideas for our transfer days later in the school year. Meetings are also being planned for our new starters.

This week the governing bodies for Broomhaugh and Corbridge met to make their vote on the best way forward for our schools. Information has been sent out to all families and stakeholders, and is also available on our website. Thank you to each and every person who engaged in this process. An incredible amount of work goes into this type of thing, and as all of us have a clear interest in our schools and the direction they take, the time taken to respond and ask questions is very much appreciated.

We have enjoyed putting our new deputy head candidates through their paces today and look forward to sharing staffing news next week.
