

**Literacy challenges**  
**Week beginning 8.6.20**

This week our literacy challenges are based on the story, 'The Princess and the Wizard.'

You can begin by listening to the story. We've suggested these follow up activities to consolidate a range of reading and writing skills previously taught in school.

**Monday - What is your favourite setting?**

Read or listen to the story. A setting is where the story takes place. This story has many setting because of the different ways she tries to escape. What was your favourite? Draw the setting and your grown up can help you to label it.

**Tuesday - Wizarding words! Join phonics and literacy together**

The wizard is trying to steal real words for his new book so we need your help!

Using all letters we have learned sound out the words that your grown up has spelled (cat, big, sit etc.). Is it a real word? If it is collect a frog from the basket, lets see if we can gather 5 frogs by the end. (You can gather any item to add to the collection, toys, lego etc.)

(Maybe we could end by singing 5 Little Speckled Frogs?)

**Write it Wednesday**

'If I had a Fairy Godmother I would...' writing activity. Using the writing sheet, think carefully about what you would do if you had your own fairy godmother. What would you wish for?

Can you write (mark make) your ideas? Maybe you could be even more brilliant and sound out the letters you can hear and try to write them?

**Thursday - Write a list of 7**

The Princess was celebrating her 7<sup>th</sup> Birthday

Can you make and write a card to the princess for her birthday?

**Friday - Write a colour poem**

Let us think of all the different colours in the rainbow. Can we think of a sentence with each colour, e.g. Blue like the sky, as red as a fire engine?

Maybe you could share your work with us and we can add it to our Summer learning display?
