

## Home Learning Weekly Menus – Summer Term

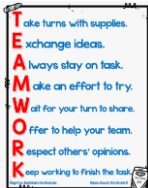

As our schools continue to be closed to the vast majority of pupils we want to ensure all families have some support for home learning in whatever form that may have in your home. As we have said and continue to do so, **there is no pressure in these unusual times**. We have shared lots of information with you and will continue to do so. **Our advice is to do ‘little and often’ and don’t forget to mix school work with fresh air in the garden, exercise at home and learning new skills.**

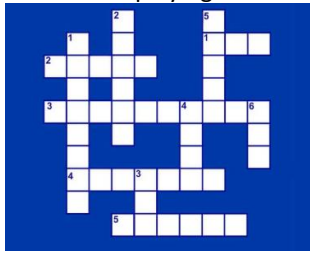

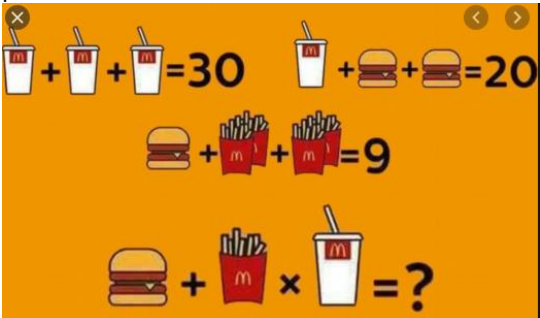

We will provide the equivalent of daily Maths and English activities as well as a bank of other weekly curriculum activities which you can dip in and out of.

There is no checklist or timetable for families to follow – this would be impossible when trying to juggle multiple children and working from home!

It may be that as parents/carers you are taking it in turns to be with your children so you only have a morning/afternoon/2 hours each day etc. to spend on home learning. You do not need to do all of these things, please be kind to yourselves and pick and choose from the weekly ‘menu’ according to what suits your situation.

**A new menu will be added to the website under your child’s year group page by the Friday evening of the previous week.**

<b>Daily 10 minutes</b>	<p>Times Tables Rockstars  <a href="https://play.ttrockstars.com/auth">https://play.ttrockstars.com/auth</a></p>	<p><b>Spellings</b>  <a href="https://spellingframe.co.uk/">https://spellingframe.co.uk/</a>            Follow the link then select Year 3 and 4.            This week we are focussing on 'Spelling Rule 28'.            Beneath the explanation of the rule there is an option to view the words within this section or print them. Click on 'play' under 'Spelling Rule 28' then click 'spelling tiles' for daily activities to learn the spelling rule. During the week you can press the 'practice/test' button to practice for your test and Friday you can then have a go at a spelling test to try out your knowledge of the new spelling rule.</p>
<b>Daily Lessons</b>	<p><b>Maths</b></p> <p>Please note from this week the daily maths worksheets will be uploaded onto our class page as separate PDFs Lesson 1, Lesson 2 etc. The answers will also be uploaded. The video links will be provided in a separate PDF on our class page.</p> <p>Below are some other practical maths activities your children might like to do.</p>	<p><b>English</b></p> <p>Below we have chosen some key tasks for this week.</p> <p>All of the resources you need are on the school website on our class page.</p>
<b>1</b>	<p>Design and build a tower using only spaghetti and marshmallows. Measure how tall you can build the tower without it falling. Discuss the shapes you could use to make your tower more stable.</p> 	<p>Create a funny story with someone from home. Follow the instructions below to make your own folding stories.</p> <p><b>Fold-over Stories</b></p> <p>Get a blank sheet of paper and find someone to play with. In your story you will be answering the following: WHO, WHAT, HOW, WHERE, WHEN, WHY. Explain that everyone will be writing a sentence story.</p> <ol style="list-style-type: none"> <li>1. Tell them to write someone's name at the top of their paper, i.e., their own, a classmate's, the teacher's, a famous person that everyone knows; fold the paper over once so no one can see it, then pass the paper to the person on their right.</li> <li>2. Write on the received paper what the subject did (suggest funny or outrageous actions), fold it over and pass it on to the right.</li> <li>3. Continue to write one line, how they did it (adverbs), fold and pass; where-pass; when-pass; and last of all, why (because...) and pass it one more time.</li> <li>4. Unfold the story and read them silently. Then read it out loud for the people in your team.</li> </ol> <p>See a template for this activity in the resource pack.</p>
<b>2</b>	<p>Design and create a board game which will help you to practice and memorise your times tables – you might even want to think about how you could incorporate your division facts</p>	<p>Write an acrostic poem about your time in Year 3. (Remember an acrostic poem is a poem where certain letters in each line spell out a word or phrase). Your poem should spell out 'YEAR THREE'.</p> <p>E.g.</p> 

3	<p><b>Material measurement activity</b></p> <p>Ask children to explore outside and collect various natural materials such as sticks, leaves, pine cones, etc.</p> <p>Next, ask them to measure various parts of their own body and compare their findings with the items. For example, how many pebbles does it take to measure your arms? How many leaves does it take to measure your leg? Discuss why results may vary.</p>	<p>Complete the minibeast crossword and use the template (see resources) to make your own crossword puzzle for someone else to have fun playing.</p> 
4	<p>Follow the link to enjoy some maths problem solving:</p> <p><a href="http://www.learning-tree.org.uk/stickpuzzles/stick_puzzles.htm">http://www.learning-tree.org.uk/stickpuzzles/stick_puzzles.htm</a></p>	<p>Read Roald Dahl Recipes – see resources</p> <p>Choose one of the foods that he invented and make-up a recipe for it. Include a picture, ingredients and method in your recipe.</p> <p><b><u>Roald Dahl Recipes</u></b></p> 
5	<p>Enjoy problem solving – can you solve the puzzle?</p>  <p>Can you create your own puzzle?</p>	<p>Write and send a thank you letter to a key worker that you know. It could be a family member or a friend thanking them for all of their hard work during these tough times.</p>
Additional Activities	<ul style="list-style-type: none"> <li>• Play on 'top marks' math games</li> <li>• Have a look at the BBC Bitesize daily activities</li> </ul>	<p>If you are looking for more...
