

Memories – Maroon 5

Here's to the ones that we got
Cheers to the wish you were here, but you're not
'Cause the teachers bring back all the memories
Of everything we've been through
Toast to the ones here today (elbow bump each other)
Toast to the ones that we lost on the way
'Cause the teachers bring back all the memories
And the memories bring back, memories bring back you

There's a time that I remember, when I couldn't write my name
When I believed that, everything would always stay the same
Now my heart feel like December now our show is here again
'Cause I can't reach out to call you, but I know I will one day, yeah

Everybody moves sometimes
Everybody moves someday, ayy ayy
But everything gon' be alright
Go and raise your voice and say, ayy

Here's to the ones that we got
Cheers to the wish you were...
