

Membership Guide

Made by Teachers, Trusted by Parents

Giving you time to catch up and be you; we are the number 1 provider of exciting educational activities that keep your children entertained.

We can help you to understand what your child is learning in school so you can **help your child with their homework**.

No need to worry about the **phonics screening test, SATs or the 11 plus** tests; we're here to help and have everything you need.

Reading time with your child is so precious, Twinkl has its own 'Original' storybooks with printable activities to go alongside them.

Online games on the 'Go' - use on your phone or tablet to inspire learning wherever you are, **no printing required!**

Giving you the tools and the confidence to **support every stage of your child's development** - from birth to beyond.

This handy guide should cover any questions you have. However, if there's something we've missed, please **contact** our lovely team. We're here to help!

Love the Twinkl Parents Team _x

What can I find on the Parents Hub?

Made by Teachers, Trusted by Parents

Homework Help - This area is a safe space for you to let your child explore topics learnt in different subjects, from Geography through to English and Science.

Explainer Videos - While most things are easy to remember (others are not so much), these videos will refresh your memory and keep your child entertained while they learn with you.

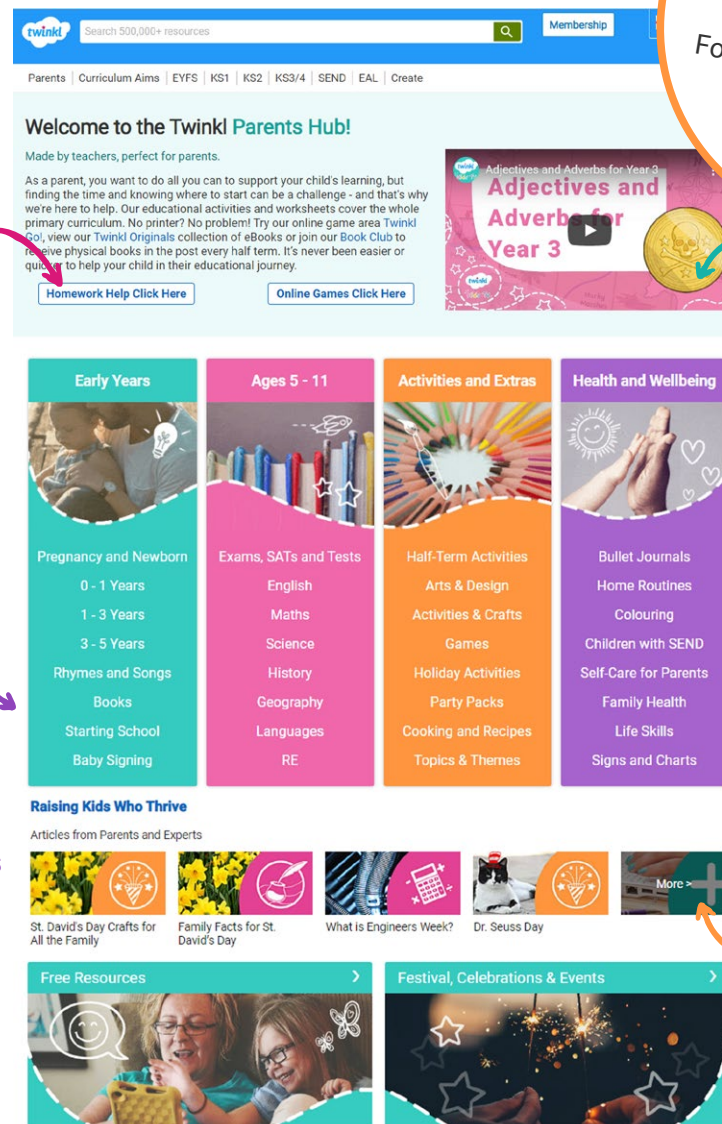

Saving you time - Using our menu, it only takes seconds to find educational activities that will keep your children busy for hours.

Articles - Our team is made up of parents, teachers & parents who are teachers. We want to inspire, support and help you help your child.

Click here for our
Twinkl Parents Hub

Our Homework
Help Area.

This is where you
can find activities
you need easily
and quickly.

Twinkl Tip!

Early Years is broken down
by age then subject.
For Ages 5 - 11 it is broken
down by subject and
then age.

Explainer Videos
to watch with
your child.

Articles from
Parents and
Experts.

Early Years

Learning Through Play

The Early Years Foundation Stage (EYFS) curriculum sets standards for the learning, development and care of children from birth to 5 years old. Our Early Years area has been developed by parents, teachers and early years professionals.

Discover hands-on baby and toddler activities to share, including crafts and learning experiences such as messy play.

There's help with pregnancy, support for those first weeks with a newborn, plus expert insight and advice on toddler behaviour.

Our 3 - 5 years area will prepare you and support your child's learning alongside nursery or reception.

Click here for our
Birth - 5 Taster Pack

You can use Twinkl Phonics alongside the scheme your child is learning in school.

Ages 5 - 7

Your Child's Learning Journey

Those first few years in school can be such a big transition for both you and your child. Luckily, you're not alone. Twinkl can help you smoothly navigate your way through this exciting period.

Based on the key stage 1 (KS1) national curriculum for England, our worksheets are all designed to help provide the best possible support throughout your child's first years in education.

We believe that every parent is different; if you don't want to do maths or English worksheets, we've created a wide range of crafts, colouring and exciting experiments to try at home.

Click here for our
5 - 7 Taster Pack

Twinkl Handwriting has been made for teachers, but it's still perfect for parents. The packs contain handwriting help cards, interactive PowerPoints, guidance posters and worksheets.

Ages 7-11

Helping You Help Your Child

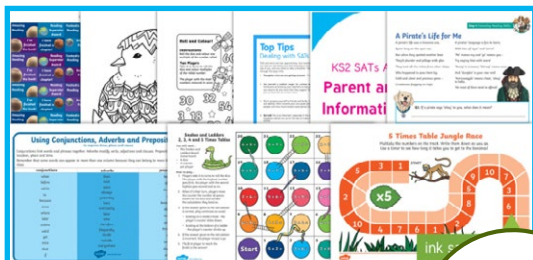

This stage of your child's education is a stimulating period, with lots of new and exciting things to discover and learn.

Our worksheets and activities are all based on the key stage 2 (KS2) national curriculum for England and designed to provide you with trustworthy content that lets you confidently contribute throughout your child's educational journey.

Learning opportunities are everywhere; we want to inspire you with a wide range of different learning experiences that you can provide for your child.

Click here for our
7 - 11 Taster Pack

Help your child explore their imagination with creative questions, challenges and subjects all based on a photo!

Our daily kids news reports are a perfect way to help your child explore the news with confidence.
+ Extra activities to do at home.

Ages 11 - 16

Above and Beyond

If you struggle to find the Beyond
Secondary membership area, our Twinkl
Cares Team can help.

Maths - Help your teenager enhance their mathematical mastery skills with activity sheets, games, colour by numbers, escape the room tasks, activity mats and revision resources that all focus on the maths KS3, KS4 and GCSE curriculum.

English - Tired of finding new and original ways to convince year teenager that unseen poetry really is worth sticking with? Well, cast aside the printer, put down your pens, and explore Beyond Secondary's library, full of secondary English worksheets, PowerPoints and revision materials.

Science - Whether you need to learn about chemical reactions, engage your teen with electromagnetism, or get to grips with genetics and evolution, our KS3 and GCSE science Beyond library spans chemistry, physics, and biology.

Beyond Secondary

Parent Guides

Made by Teachers, Trusted by Parents

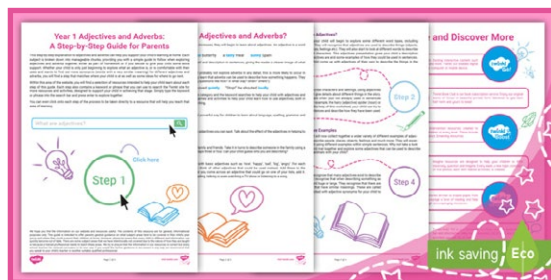

Having access to a little bit of practical advice and guidance along the way can make a huge difference.

Our 'What Your Child Should Know' guides are based on the subjects your child is learning in school and are designed to help you find your way when learning at home.

Our step-by-step guides break down each subject and help you teach it in simple terms, one step at a time.

Homework Help

Explore & More

This is a safe space to let your child explore topics learnt in different subjects, from Geography to English and through to Science.

Easy to read information.

Like this

We've added pictures & videos to keep your child engaged.

The Homework Help area covers the most common topics your child will learn in school.

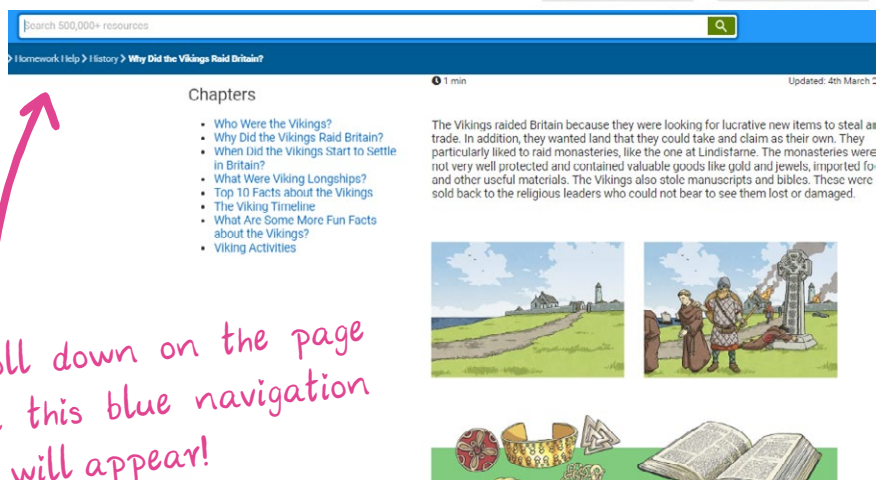

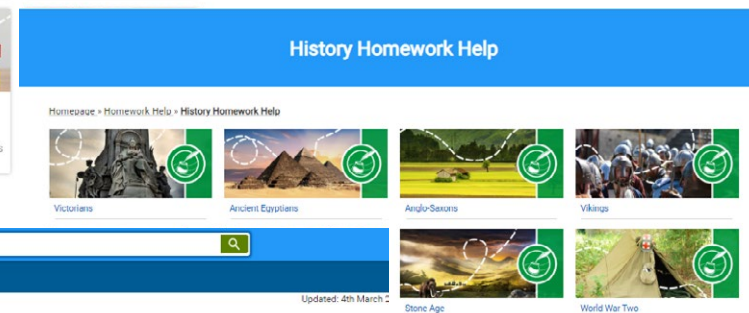

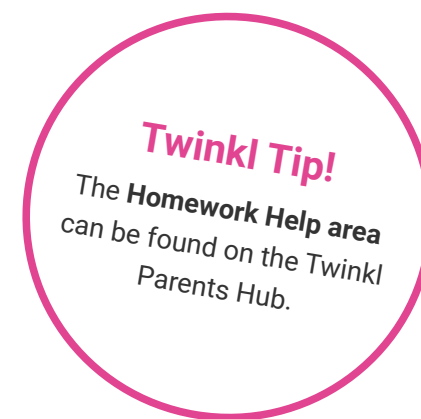

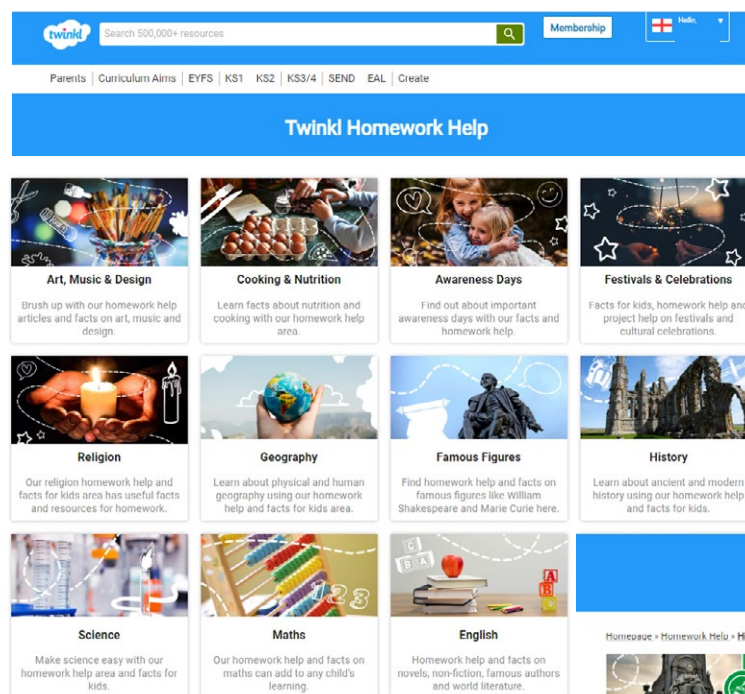

There are lots of fun facts, commonly asked questions and fun activities to really build on the learning your child has done in school.

Click here for
Our Homework Help area >

Scroll down on the page
and this blue navigation
bar will appear!

Activities and Extras

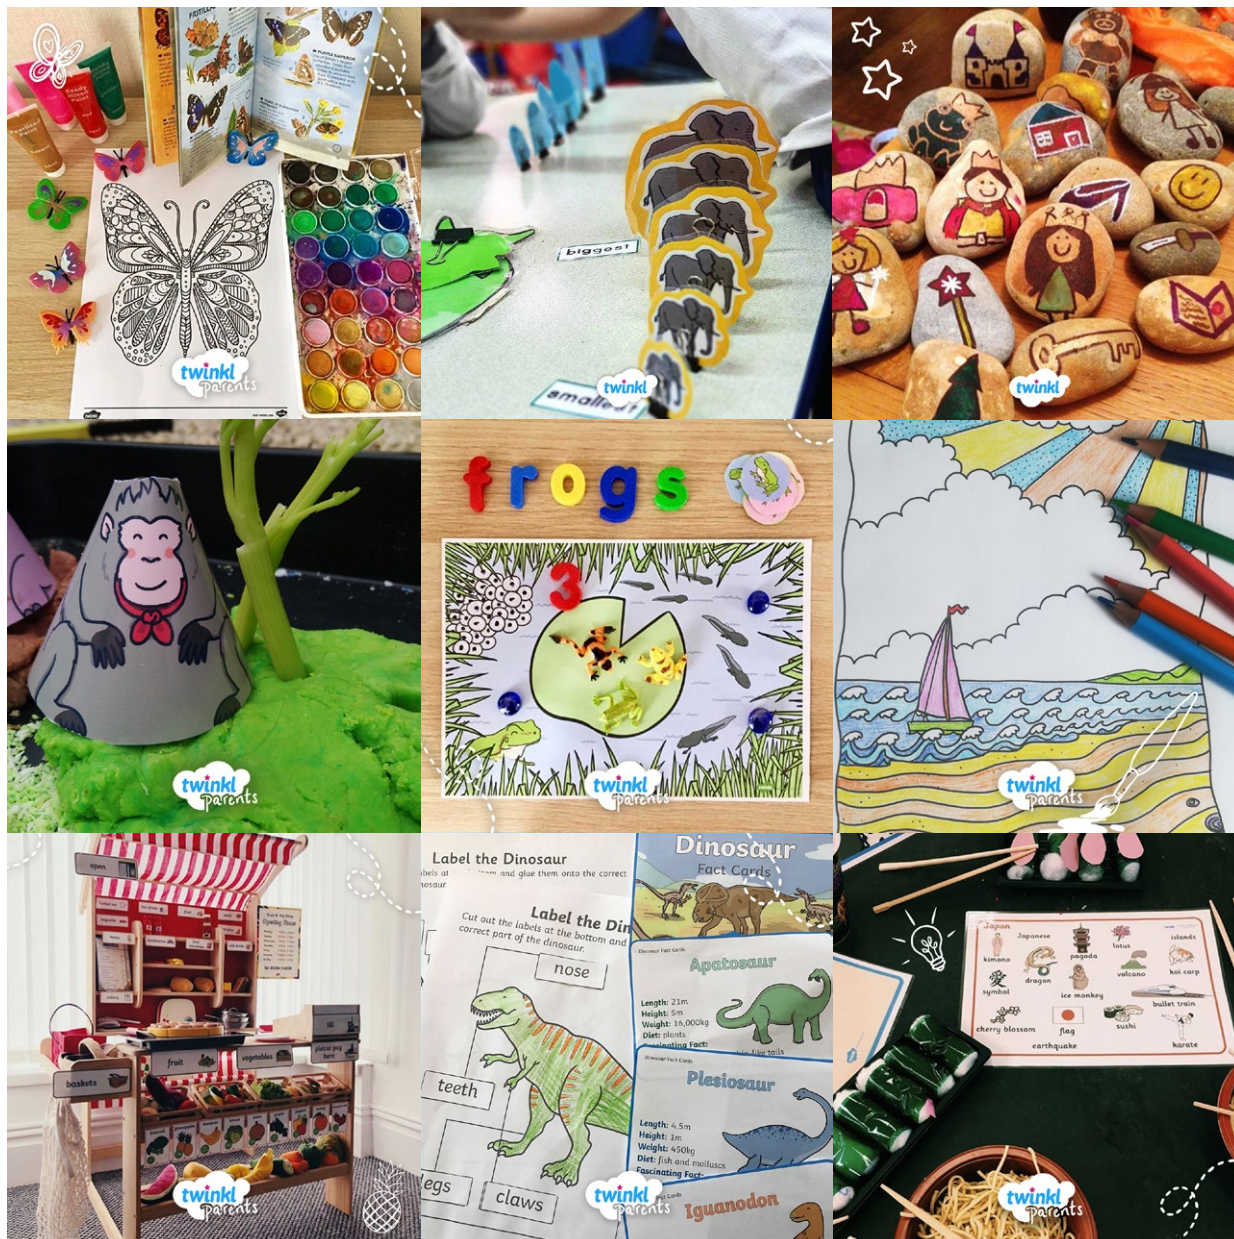

Explore, Learn, Create

We want to inspire future generations to reach for the stars! Learning isn't just Maths or English; our games and activities with hidden learning will help create those lightbulb moments.

Want to add your own unique stamp of creativity and make your own activities? No problem! Our Twinkl Create tool lets you make your own bespoke wall art and activities from Twinkl's templates and illustrations. Why not try designing your own personalised labels, handwriting sheets, posters, display borders, banners, bunting, certificates, display lettering and so much more?

Year 6 SATs Survival

A range of easy-to-use, engaging and interactive materials that are designed for hassle-free planning, teaching and assessing in the run-up to the Year 6 SATs assessments. Ideal for whole-classes, group booster interventions and 1:1 tuition sessions for pupils who simply need that extra boost to reach their potential in reading and maths. Created by experienced teachers in line with the DfE content domains, use them to promote rapid progress within children who are close to reaching the 'working at' or 'working at greater depth' thresholds.

Information for Parents

Handy information sheets for parents of Year 6 children due to take their KS2 SAT Assessments in May 2020.

Twinkl Original books

For Those Together Moments

Do you have any budding bookworms in the family?

Twinkl Originals are engaging stories written by teachers to inspire children. With a lively cast of characters, the books are designed to encourage a love of reading from early years and beyond.

Our eBooks also come with a selection of activities to match the story, sparking your child's imagination.

Originals characters are all hand drawn by wonderfully talented illustrators, with stories lovingly designed to stimulate learning.

Discover a range of eBooks available to help support from early years right through to year 6.

These delightful books can be delivered directly to you each half term and are yours to keep forever!

Parent Blogs

You're doing great!

See, our blogs say so!

Here at Twinkl Parents, we understand that helping your little one through childhood is not always an easy task. That's why we've written a collection of blogs that cover many different aspects of parenting, from guides for specific school subjects and ideas on how to throw a great birthday party, to advice on organising a family holiday.

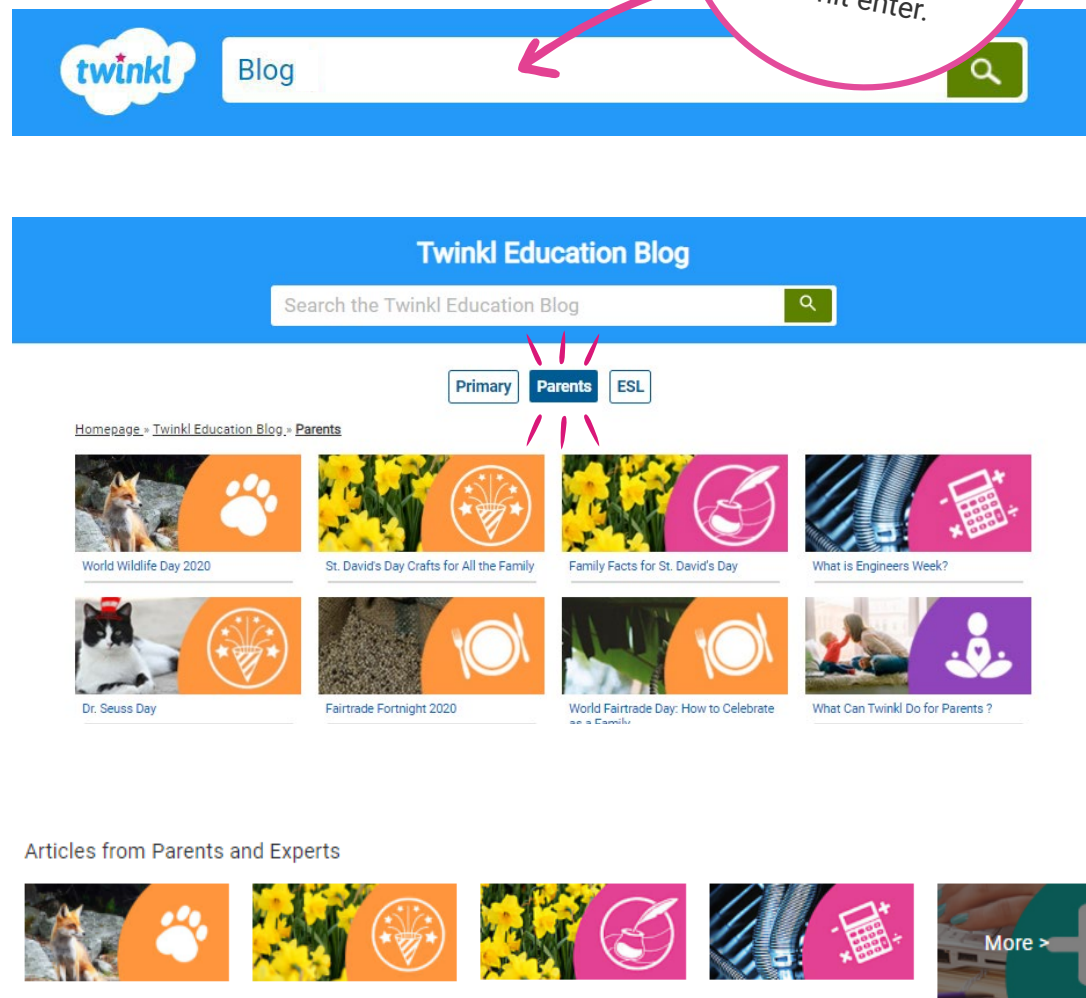

We're always looking for ways to help parents, so you'll see new blogs going up every week. Make sure you follow us on social media for the latest insights and advice on parenting!

Twinkl Tip!
Alternatively, scroll down on the [Parents' Hub](#) and you'll find a selection of our newest blog posts.
