

Autumn term 2

Week 1

It is lovely to welcome all the children back after half term.

This week we have:

Diwali:

- Learnt information about Diwali
- Creating Rangoli patterns- with chalk, pasta, pens and on the computer
- Practised a Diwali stick dance
- Listened to the story of Rama and Sita and acted it out

Bonfire night:

- Listened to the story about Guy Fawkes
- Created firework pictures using the 2 computer simple program
- Made fireworks in a jar (food colouring, oil and warm water)
- Drew firework shapes and thought of words to describe the shape and sound
- Made pictures

Other activities

- Learning new phonic sounds
- Playing in the new forest role play area
- Recognising 1p and 2p coins as well as counting them

Challenge of the week- Making a rocket

Every Friday the children will be given a challenge. This is to help build their resilience as well as teach them new skills. This week some children found this difficult. However, once they know that they 'can do it', their confidence and independence will grow.

Next week we will be thinking about Autumn and Remembrance.

Just a quick reminder to:

- Return reading books on a Monday morning and homework books on a Wednesday. This week the children have been given tricky word flash cards.

Have a lovely weekend.
