- Was a lovely experience to be with my son!
- Thank you for a lovely lunch. It would be nice if children got offered both vegetables. I appreciate not all children will eat vegetables and therefore can be wasted. My son likes his vegetables and would have chosen both if he could.
- Excellent lunches (tasty, hot, nutritious) and lovely staff! The children are very lucky. Thank you!
- It was a fantastic experience to come into school and spend a lunch time with my daughter, we both had a great time. It was good to speak to other children and their parents around the table too. The food was lovely, my daughter enjoyed her pasta and I had a great roast dinner. Sponge pudding and custard brought back memories from my own time at school. The service was wonderful, really warm and welcoming. I hope we can do it again another time. Thanks so much!
- Mine was very good. My child cleared her plate and then ate my veg from my meal - I would like her to be offered more vegetables as she eats lots at home and broccoli, carrots and cauliflower are her favourite foods.
- My child likes her vegetables, and would like a smaller portion of both instead of one if that's okay? Absolutely wonderful food as always from Mrs Dobson and Mrs Bowman, and fabulous help from Mrs Tulip, Lisa, Mr Gardener and the teaching staff :-)
- Everything was perfect
