

CORBRIDGE C OF E FIRST SCHOOL

Newsletter: Friday 27 September 2024

Dear Families,

This week, we were visited by the Mini Medics team to teach the children vital lifesaving skills. The children spent the morning learning how to raise the alarm in an emergency, as well as more advanced emergency care techniques such as how to put people into the recovery position and CPR.

As always it was utterly inspiring how engaged the children were, how closely they listened and how quickly they were able to demonstrate what they had learned. Our Year 1 children were very quick to give me some brilliant advice!

Maddie - "It was great to practise CPR"

Daisy - "I was nervous when I first came in but I can now help other people".

Rosie-May - "We can now help people to feel better".

Jayden - "I liked practising CPR to save people".

Olivia - "I liked learning new skills from the two people".

Our vision is 'be the best you can be' and being confident, compassionate and capable enough to lend a hand when things are rough is an important part of that. We may even have started some of our children on the path to a career in medicine!

Our next set of family engagement activities will be the Parent to Lunch sessions. Keep an eye out for a ParentMail with details of these. Lots of dates have been added to the calendar this week - details below.

Have a lovely weekend, everyone!
