

This is a plan view. It is a map of a classroom from above. It is like a drawing of an aerial view.

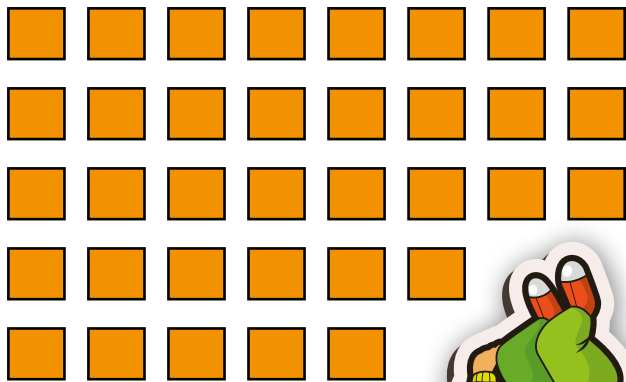

What do you need to include in your plan of the classroom?

tables

cupboards

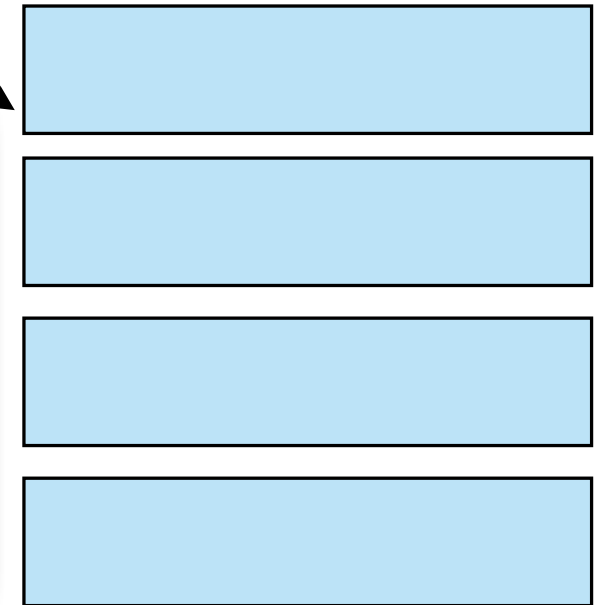

chairs

board

Cut out these shapes  
and use them on  
Worksheet 2A to  
create your plan of the  
classroom.

Use the space below along with the Shape Sheet to create a plan of the classroom.

Use the space below along with the Shape Sheet to create a plan of the classroom.

A large, empty rectangular box with a black border, intended for drawing a plan of the classroom.

Look around the classroom?

What are the main items you can see in the room?

Can you add windows and doors to your plan?

Is there anything else you could add that isn't on the Shape Sheet?

Use the space below to create a plan of the classroom.
