Dear Year 3 Parents and Carers

**Join your child for a special learning session on
Thursday 1 February – Maths is Fun!**

We would like to invite you to join your child for a special learning session on Thursday 1 February from 9.05am to 10.30am.

We will be asking you to work alongside your child in a 'Maths is Fun' problem solving session. The children always enjoy sharing school activities with you and I hope you will be able to come along. It is a great opportunity to see how the children learn in school.

So that we can accommodate everyone comfortably in the hall, we will have to limit this to one parent or other family member (grandparent/aunt/uncle) attending for each child. Please return the reply slip below by Wednesday 24 January to let us know if you will be able to come along – this will help us make provision for someone to work alongside any children who don't have a family member able to attend.

If you are able to attend, please come into school via the office after dropping your child off in the playground.

We look forward to seeing you then.

Yours sincerely

Miss Florek
Y3 Class Teacher
