

10 January 2018

Dear Year 1 Parents and Carers

**Join your child for a special learning session on Thursday 18 January 2018**

We would like to invite you to join your child for a special learning session on Thursday 18 January from 9.05am until 10.30am. After dropping your child off in the playground please come into school via the office.

The focus for our learning will be healthy eating. We will be designing and making fruit salads. We will also be taking part in a Hi 5 maths session and sharing how we use school 360 to enhance our learning. The children always enjoy sharing school activities with you and I hope you will be able to come along. It is a great opportunity to see how the children learn in school.

So that we can accommodate everyone comfortably in the classroom, we will have to limit this to one parent or other family member (grandparent/aunt/uncle) attending for each child. Please return the reply slip below by Monday 15 January to let us know if you will be able to come along – this will help us make provision for someone to work alongside any children who don't have a family member able to attend.

We look forward to seeing you then.

Yours sincerely

Miss Jewitt  
Year 1 Class Teacher
