

## Corbridge C of E First School

### Allotment – interested in volunteering?

As many of you may be aware we have an allotment which is managed by Mrs Orrick.

During the year, the children are scheduled time to work in the allotment and the learning experiences during these visits are invaluable. The children gain a great deal from being actively involved in growing plants and vegetables.

If you would be interested in volunteering to help Mrs Orrick at the allotment please complete and return the reply slip below. You can offer to volunteer on a regular or occasional basis.

Miss J Ainsley  
Head Teacher
