

## CORBRIDGE C OF E FIRST SCHOOL NEWSLETTER: Thursday 7<sup>th</sup> April 2022

Dear Parents and Carers

What a fantastic end to our Spring term!

Thank you to all family members who have been able to be involved in our STEM events and other special family times in school and church. It is really lovely to have you back in school, being actively involved in our community and seeing first hand some of what we treasure so much about our school. Special thanks go to Danielle Reay and Rachel Mitchell who have been inspiring STEM ambassadors this week. The question and answers, and workshops have been really positive and enjoyed by all, and we are very grateful for your participation, enthusiasm and time.

The most fun and busiest times are often the most tiring too and I hope we all can take some time to slow down, relax and have a wonderful Easter break. I would like to thank all the staff for another term of dedicated commitment and hard work, pulling together during absences and ensuring our children can flourish.

We look forward to welcoming you back to start Summer term on Monday 25 April.

**School Dinners:** Week beginning Monday 25 April 2022 will be Week 3 of our [menu](#).

**Year 4 Residential:** Can all paperwork which needs to be completed and returned, be handed in to the school office by Tuesday 26 April 2022.

### **Parking on the Milkwell Estate:**

I have been contacted by a Housing Officer for Karbon Homes covering the Corbridge area. Karbon have received complaints in relation to cars parking on the open grassed areas within Milkwell at school pick up and drop offs, and during their recent estate inspections it has also been noted that the grass within Milkwell is damaged in several places. I am asking for your help to be considerate when parking to drop off/ pick up and to please avoid parking on the grass. Thank you in advance.

**The School Diary:** The term dates are in the grid this week but we will be filling the diary with all of our events for the term soon. Please remember to check for any new dates in each week. *Dates in red are new dates which have been added*
