

Topic challenges

Week beginning 8.2.21

This week our topic challenges are based on the story, 'Mr Wolf's Pancakes' by Jan Fearnley.

You can begin by listening to the story. We've suggested these follow up activities to consolidate a range of reading, writing and creative skills previously taught in school.

Wolf Puppet

I wonder if you know any other stories which have a wolf in them? Could you make a wolf puppet using resources you already have in your house and retell a story to your family? Or you could use your imagination and tell your own story...

Toss a Pancake Challenge

Using a one minute timer. Find out how many times you can toss a cardboard pancake in one minute. Record results on a simple tally chart.

Valentines

Decorate a biscuit for someone special this Valentine's day. For a quick and easy option grab a digestive biscuit, a little bit of icing and some sprinkles to decorate. Or you could be more adventurous and make your own biscuits or cakes using a recipe!

Amazing Algorithms

Watch the song 'This is the way we get dressed'.
<https://youtu.be/1GDFa-nEzlg> We use an algorithm (set of instructions) to get ready correctly every day. Using the 'Getting Dressed routine cards' cut out and ask your child to place them in the correct order. What happens if you put them in the wrong order?

Alternatively (without pictures) ask your child to draw a picture of themselves and some clothes e.g., a vest, pants, top, jumper, trousers, shoes etc, cut them out and put them on in the correct order.

Baptism Role Play

Watch the following short video clips about baptism again.

Create your own baptism ceremony. Gather together a dolly or teddy to baptise and some other toys/ figures to be the godparents. Set up your ceremony and with supervision from a grown up baptise your toy with a little water and make the sign of the cross on their head, welcoming them to God's family. Perhaps you could even light a battery-operated tea light or with adult supervision light a candle and say a prayer.
