

Here's the Lady's Knives and Forks

			
Here's the lady's knives and forks.	Here's the lady's table.	Here's the lady's looking glass.	And here's the baby's cradle (<i>rock hands</i>).

Here's the Church

Here's the church and here's the steeple
Open the door and here are all the people
Here's the parson climbing the stairs
And here he is, saying his prayers.
