

Reception & Nursery
Wednesday 7 February 2018

Dear Parents/carers,

You are invited to join your child in school on Wednesday 7 February. We will be offering a morning session for nursery parents and an afternoon session for reception parents. Any nursery children who attend school all day on a Wednesday can opt to join the session in the afternoon if they require.

In the session we will be exploring the magic of stories and creating props to support communication and language. During the afternoon session, we have support from an LA ICT consultant who will be working with you and your child to introduce school360. School 360 is a learning platform which is used throughout school and can be accessed at home. Mrs Burton will talk through school360 in the morning over coffee and cake! Refreshments will be available at both sessions for a small donation.

We are asking for one adult per child to attend. Please fill in the reply slip by Wednesday 31 January. We look forward to seeing you then, thank you.

Yours sincerely

Mrs Burton & Mrs Hutchinson
